CLASS III

EVALUATION- I (2020 - 2021)

(VIRTUAL ASSESSMENT)

Dear Parents

Greetings!

Hope you and your family are safe!

At Bosco Public School, our aim is always to provide holistic education for our students to make them contribute to society with acquired talent and skills.

The virtual teaching-learning process through online classes has been enjoyed by our learners. But learning isn't enough unless it is assessed. Evaluation acts as a catalyst and positive reinforcement to students. Since all learning is incomplete without evaluation, an 'Online Evaluation - I' for all scholastic subjects would be conducted as per the following details:

- The evaluation will be conducted through Google Forms.
- The maximum marks for each subject would be 25.
- The evaluation will comprise of objective type questions (multiple choice questions, fill in the blanks, true / false, one word answers etc.).
- The evaluation timings and link of each test will be shared by the concerned class teachers in the respective class whatsapp official groups with further instructions.
- A Mock Test would be conducted on May 25, 2020 (Monday) to acquaint the students with the process of online evaluation.
