DATESHEET FOR HALF YEARLY EXAMINATION (CLASSES: VI-XII)

VIRTUAL ASSESSEMENT (2020 - 2021)

Dear Parents

Greetings!

Hope you and your family are safe!

At Bosco Public School, our aim is always to provide holistic education to our students to make them contribute to society with acquired talent and skills. The virtual teaching -learning platform implemented by the school is being enjoyed by the learners but learning will be incomplete without assessments. Assessments act as catalysts, and help the learners to work in direction of areas of improvements, if any. As you all know the current situation is challenging but yet we should not stop to achieve our aim. Hence, we have developed Virtual Assessment (Half yearly Examination) comprising of objective and subjective questions.

These assessments timings and link of each test will be shared by the respective subject teachers in the respective class Whats App groups with further instructions. Kindly go through **Annexure A** to understand the evaluation process for **Half Yearly Virtual Examinations**.
